**CONSENT FOR THE COLLECTION AND PROCESSING OF SENSITIVE PERSONAL DATA FROM THE EUROPEAN UNION**

1) Pursuant to the European Union General Data Protection Regulation (EU GDPR), the Georgia Institute of Technology ("Georgia Tech"), in its capacity as a data controller under the EU GDPR, must obtain your explicit, affirmative consent before it can collect or process any special categories of sensitive personal data for a lawful basis, including, but not limited to, employment, admission and enrollment, study abroad, internship abroad, online education, etc. For information on how Georgia Tech uses data, please review the Georgia Tech [Privacy & Legal Notice](#).

2) Special categories of sensitive personal data includes racial or ethnic origin; political opinions; religious or philosophical beliefs; trade union membership; genetic, biometric data; health data; or data concerning a person's sex life or sexual orientation.

3) Pursuant to Board of Regents of the University System of Georgia Immunization Policy and Georgia Tech's Immunization Policy, all new students must provide proof of immunization in order to avoid a registration hold. A registration hold keeps students from registering for classes.

4) [Any sensitive personal data that is collected from you will be for the sole purpose of satisfying the immunization requirements of the Board of Regents of the University System of Georgia and Georgia Tech required for your enrollment at Georgia Tech, and other medical information as may be needed to provide continuity of patient care, and is necessary for that purpose.](#)

5) Special categories of sensitive personal data will be handled and processed only by the persons who are responsible for the necessary activities for the purpose above, and will be transmitted from the EU to the Georgia Tech Atlanta campus.

6) Refusal of consent may make it impossible for Georgia Tech to carry out its necessary activities for the purpose above, and may preclude Georgia Tech's ability to provide requested educational services to you.

7) You have the right to withdraw your consent to the collection and processing of special categories of sensitive personal data. If you would like to withdraw consent, please contact the Office of Enterprise Data Management at [eugdpr@edm.gatech.edu](mailto:eugdpr@edm.gatech.edu)

8) Georgia Tech is committed to ensuring the security of your information. We have put in place reasonable physical, technical, and administrative safeguards designed to prevent unauthorized access to your information.

9) Georgia Tech has an EU GDPR Compliance Policy which includes your individual rights concerning your data. Please see the Georgia Tech Policy Library for the [Georgia Tech EU GDPR Compliance Policy](#).
