AUTHORIZATION TO TREAT

I hereby authorize the physicians, physician assistants and nurse practitioners of Stamps Health Services, including those at area hospitals, to perform diagnostic, preventative, and treatment procedures which in their judgment may be necessary while she/he attends Georgia Tech. I waive all claim to prior notification. I understand that every reasonable effort will be made to notify me in the event of a major illness or injury, or if the Stamps Health Services physician feels it is necessary.

CERTIFICATE OF REQUIRED IMMUNIZATIONS

Please upload completed forms at www.immunizations.health.gatech.edu

Please read ALL instructions below. Your records MUST meet these criteria to satisfy the requirements.

Semester Beginning: ____________ Birth Date: ____________ **Country of Birth:** ____________

GT ID#: ____________ Cell Phone #: ____________ Email: ____________

Name (Last, First, Middle) ____________

Address: ____________ City: ____________ State: ________ Zip Code: ____________ Country: ____________

Vaccine	Injection 1 Date MM/DD/YYYY	Injection 2 Date MM/DD/YYYY	Injection 3 Date MM/DD/YYYY	OR	Date of Positive Lab/ Serologic Evidence(titer)[6]
MMR (Measles, Mumps, Rubella)[1]	/ /	/ /			
or					
Measles[1] +	/ /	/ /			/ /
Mumps[1] +	/ /	/ /			/ /
Rubella[1]	/ /				/ /
Varicella[2] History of Disease Not Accepted	/ /	/ /			/ /
Tetanus-Diphtheria-Pertussis (Whooping Cough)[3]	/ / Tdap (required)	/ / Booster Td or Tdap (Circle One)			
Hepatitis B[4] Hep B or Twinrix (Circle One) 2 Dose or 3 Dose Series (Circle One)	/ /	/ /	/ /		/ /
Meningococcal ACWY[5] (Menactra or Menveo)	/ /	/ /			
Tuberculosis Screening (must be done within 6 months of the start of class)	**U.S./Canadian Born Students** - Complete Page 4 (TB Assessment, required) and Page 6 (Skin Test, if TB Assessment indicates at risk) **International Born Students** - Complete a QuantiFERON blood test (submit official lab report). If QuantiFERON test is positive Chest x-ray performed in the US is required. QuantiFERON must be performed on the same day any live vaccines are administered **or** at least 28 days after any live vaccines are administered.				

1-US/Canadian born students born in 1957 or later; All foreign born students regardless of year born; First dose must be after first birthday.

2-US/Canadian born students born in 1980 or later; All foreign born students regardless of year born; First dose must be after first birthday. History of disease not accepted.

3-**One dose of Tdap after 10th birthday is required for all students**; Td booster needed only if > 10 years since last Tdap or Td.

4-Hepatitis B vaccine or Hepatitis A-Hepatitis B (Twinrix) vaccine accepted. 0, 1, and 6 month schedule preferred.

5-**Vaccine required for all students under age 22. If vaccine given before 16th birthday, a booster dose on or after the 16th birthday is required.** This is not the same vaccine as the Meningococcal B vaccine (see recommended vaccines page).

6-Upload antibody titer reports; must be on lab letterhead or printed from an electronic medical record; must be in English and include definitive lab values with reference values. Lab/serologic evidence indicating immunity may be used in lieu of injections to verify immunity if immunization records incomplete.

Name (Last, First, Middle) ____

Address: _____________________________ City:___________________ State: ___________ Zip Code: _______ Country: _____________

INSTRUCTIONS TO PROVIDER

TB assessment must be done within six (6) months prior to start of classes. PLEASE NOTE: TB skin tests, TB assessment and chest x-rays conducted outside of the United States of America or Canada will NOT be accepted under any circumstances. **If at risk, a tuberculin skin test or Quantiferon blood test must be completed within 6 months prior to the first day of class.**

History:

1. Have you ever had a positive TB skin test/QuantiFERON blood test? ☐ **No** ☐ **Yes**
   Date of Positive PPD or QuantiFERON blood test: ______________
2. Did you take medication(s) for the positive skin test or QuantiFERON**?** ☐ **No** ☐ **Yes**
   If yes, please list dates of treatment and medication taken: ____

If student has had a positive TB skin test or Quantiferon test in the past, the student will need a chest x-ray done in the 6 months prior to the first day of class. An official report of the chest x-ray results will need to be uploaded. Chest x-rays performed outside of the United States or Canada will NOT be accepted.

Symptom Risk: Do you currently have any of the following symptoms?				**Symptom risk present?**
3 weeks or more of Persistent Cough?	☐ No ☐ Yes	Unexplained weight loss?	☐ No ☐ Yes	(any question to the left answered yes)
Persistent Fever or Chills?	☐ No ☐ Yes	Persistent Night Sweats	☐ No ☐ Yes	☐ No ☐ Yes
Loss of Appetite?	☐ No ☐ Yes	Coughing up blood?	☐ No ☐ Yes	
Exposure Risk: Within the last 2 years, have you lived, worked, or volunteered in the following types of facilities?				**Exposure risk present?** (any question to the left answered yes)
Hospital?	☐ No ☐ Yes	Prison?	☐ No ☐ Yes	
Homeless Shelter	☐ No ☐ Yes	Nursing Home?	☐ No ☐ Yes	☐ No ☐ Yes
Long Term Care Facility?	☐ No ☐ Yes	Residential Facility for patients with AIDS?	☐ No ☐ Yes	
Rehabilitation Facility?	☐ No ☐ Yes			
Travel Risks:				**Travel risk present?** (Both questions to the left answered yes)
Have you lived or traveled outside of the US for greater than 2 weeks in the last 5 years?			☐ No ☐ Yes	
Is the country or countries where you have lived or traveled on the list of countries with moderate or high risk? (see accompanying list)			☐ No ☐ Yes	☐ No ☐ Yes
Countries traveled or lived in:				

If the student has any one of the risks in the right hand column above marked YES they will need a TB skin test (PPD) or a QuantiFERON test done.

CERTIFICATION OF HEALTHCARE PROVIDER AND DATE REQUIRED

Is this student at risk for TB Exposure? (One or more risk(s) in the right hand column of the table above present)

☐ **YES** (complete TB Skin Testing Form) ☐ **NO**

Result __________mm (record actual mm of induration, transverse diameter. If no induration, record as "0 mm")

Declined due to QuantiFERON test completed: Date:________________ (attach the official lab report)

FINAL INTERPRETATION- Based on Criteria for Tuberculin Positivity below, by Risk Group ☐ **POSITIVE** ☐ **NEGATIVE**

Reaction > 5 mm of Induration	Reaction > 10mm of Induration	Reaction > 15mm of Induration
• Human immunodeficiency virus (HIV)-positive persons	• Recent immigrants to the U.S. (within the last 5 years) from high prevalence countries	• Person with no risk factors for TB
• Patients with organ transplants and other immunosuppressed patients (receiving the equivalent of ≥ 15 mg/d of prednisone for 1 month or more	• Persons with silicosis, diabetes, chronic renal failure, leukemias and lymphomas, carcinoma of the head, neck and lung, weight loss of ≥10% of ideal body weight, gastrectomy, and jejunoileal bypass	• Persons who are otherwise at low risk and are tested at the start of employment, a reaction of ≥15 mm is considered positive
• Fibrous changes on chest x-ray consistent with prior TB	• Residents and employees of the high risk congregate settings.	
• Recent contacts of infectious TB case	• Mycobacterial laboratory personnel	
	• Injecting drug users	
	• Children less than 5 years of age or infants, children, and adolescents exposed to adults at high-risk	
	• Recent conversion (increase of ≥ 10 mm of induration within the past 2 years	

Chest X-RAY (Required if history of positive skin test, **Chest x-ray must be completed in the US/ Canada ONLY.** Chest x-ray must be performed after the date of the positive skin testing. XRAYS MUST BE COMPLETED WITHIN 6 MONTHS OF THE FIRST DAY OF CLASS. **Upload a copy of the chest x-ray report signed by the doctor.**

STAMPS HEALTH SERVICES

CONSENT FOR THE COLLECTION AND PROCESSING OF SENSITIVE PERSONAL DATA FROM THE EUROPEAN UNION

1) Pursuant to the European Union General Data Protection Regulation (EU GDPR), the Georgia Institute of Technology ("Georgia Tech"), in its capacity as a data controller under the EU GDPR, must obtain your explicit, affirmative consent before it can collect or process any special categories of sensitive personal data for a lawful basis, including, but not limited to, employment, admission and enrollment, study abroad, internship abroad, online education, etc. For information on how Georgia Tech uses data, please review the Georgia Tech Privacy & Legal Notice.

2) Special categories of sensitive personal data includes racial or ethnic origin; political opinions; religious or philosophical beliefs; trade union membership; genetic, biometric data; health data; or data concerning a person's sex life or sexual orientation.

3) Pursuant to Board of Regents of the University System of Georgia Immunization Policy and Georgia Tech's Immunization Policy, all new students must provide proof of immunization in order to avoid a registration hold. A registration hold keeps students from registering for classes.

4) Any sensitive personal data that is collected from you will be for the sole purpose of satisfying the immunization requirements of the Board of Regents of the University System of Georgia and Georgia Tech required for your enrollment at Georgia Tech, and other medical information as may be needed to provide continuity of patient care, and is necessary for that purpose.

5) Special categories of sensitive personal data will be handled and processed only by the persons who are responsible for the necessary activities for the purpose above, and will be transmitted from the EU to the Georgia Tech Atlanta campus.

6) Refusal of consent may make it impossible for Georgia Tech to carry out its necessary activities for the purpose above, and may preclude Georgia Tech's ability to provide requested educational services to you.

7) You have the right to withdraw your consent to the collection and processing of special categories of sensitive personal data. If you would like to withdraw consent, please contact the Office of Enterprise Data Management at eugdpr@edm.gatech.edu

8) Georgia Tech is committed to ensuring the security of your information. We have put in place reasonable physical, technical, and administrative safeguards designed to prevent unauthorized access to your information.

9) Georgia Tech has an EU GDPR Compliance Policy which includes your individual rights concerning your data. Please see the Georgia Tech Policy Library for the Georgia Tech EU GDPR Compliance Policy.

Having read this notice, ____, the undersigned,

[Print Full Name Here]

hereby:

☐ **gives consent** ☐ **does not give consent**

for the use of his/her sensitive personal data, and the transfer of sensitive personal data overseas, for the purpose outlined in this notice.

Date [Month/Day/Year]: ____________________________

Signature ____

Signatures can be in handwritten or digital format.

If you have questions about this Consent, please contact:
