Are you experiencing Covid-19 symptoms?

GET TESTED!
Diagnostic

Which are you?

STUDENT

Go to Stamps Health Services
Contact Stamps at health.gatech.edu/make-appointment or 404.894.1420 to make an appointment.

FACULTY/STAFF

Go to your doctor or a Georgia Dept. of Public Health testing site
Find information at c.gatech.edu/off-campus-testing.

Is your test positive?

YES

NO

Here’s what to do:
1. Return to your residence and avoid taking public transit.
2. Report your positive test result via the online form c.gatech.edu/covid19reporting.
3. Contact your primary care physician or Stamps Health Services.
4. Await a call from GDPH and the Georgia Tech contact tracing team.
5. Return home to isolate for 10 days or move to on-campus isolation housing provided by Georgia Tech Housing and Residence Life.

STUDENT

FACULTY/STAFF

Is your test positive?

YES

NO

Here’s what to do:
1. If you’re on campus, return to your place of residence.
2. Report your positive test result via the online form c.gatech.edu/covid19reporting.
3. Contact your primary care physician.
4. Contact your supervisor.
5. Await a call from GDPH and the Georgia Tech contact tracing team.
6. Isolate for 10 days at your place of residence.

What are the criteria for ending isolation? See c.gatech.edu/isolation.

NO

GET TESTED!
Asymptomatic

Surveillance testing sites are free and found in multiple locations on campus. Find one at c.gatech.edu/testing.

Did your results recommend a follow-up test?

YES

NO

Have you had close contact* with someone who’s tested positive?

YES

Stay home and take care of yourself!

NO

Here’s what to do:
1. Practice social distancing and good hygiene.
2. Wear a face covering.
3. Return for asymptomatic tests weekly. Learn more at c.gatech.edu/jpj.

Here’s what to do:
1. Return home or move to on-campus quarantine housing provided by Georgia Tech Housing and Residence Life.
2. Quarantine for 7, 10, or 14 days. Find quarantine duration options and protocols at health.gatech.edu/coronavirus/isolation-quarantine.

Here’s what to do:
1. Return to your place of residence.
2. Quarantine for 7, 10, or 14 days. Find quarantine duration options and protocols at health.gatech.edu/coronavirus/isolation-quarantine.

*Close contact: within 6 feet for 15 or more minutes.
